WHAT IS GSSA (GOD'S SECRET SERVICE AGENTS)

GSSA is a non-profit organization that encourages extraordinary people like you to join an army of individuals who actively conduct secret missions/acts of kindness at home and in their neighborhoods, workplace, church and communities, to help others in need.

GSS AGENTS must be willing to do these good deeds secretly and avoid taking credit for them as much as possible, so that God gets all the glory. That's the fun and rewarding part. After all, it's about Him, not about us! If you do your good deeds in secret, God will be glorified and He will reward you openly.

So decide, commit and sign up today!
